

Adverse Weather – Parent Information Guide

Our priority is the safety of pupils and staff. Please read this guide carefully.

1. How We Decide

- We aim to **stay open whenever possible**, but may close if:
 - Travel is unsafe for pupils or staff.
 - The school site cannot be made safe (e.g., icy paths, heating failure).
 - Staffing levels are too low for supervision.

2. How We Will Inform You

- **Text/Email Alerts** via Parentpay and Class Dojo.
- Updates on:
 - **School Website**
 - **Social Media**
 - **Class Dojo**
- Local radio and council alerts may also carry updates.

3. What You Should Do

- **Check messages before leaving home.**
- Ensure your child is dressed for cold/wet conditions.
- If school is open but you feel travel is unsafe, please contact us.

4. If School Closes

- Remote learning will be provided via Class Dojo.
- Please encourage your child to complete set work.

5. Safety Reminders

- Do not attempt dangerous journeys.
- Collect children promptly if asked to do so.
- Keep emergency contact details up to date.

Thank you for your cooperation. Together we keep everyone safe.
