Let your light shine!

Our Prayer

Dear God,

Thank You for our school, our friends, and our families.

Help us to show **compassion**, by being kind and caring to everyone we meet.

Give us **courage** to try new things, even when they feel hard.

Fill our hearts with **curiosity**, so we can discover, learn, and wonder about Your amazing world.

Guide us to build a strong **community**, where we help, share, and look after one another.

Amen.
