

St Peter's Brafferton  
C of E (VA) Primary School

*Small school, big heart*

## Class 3

### Spring Term 2024

#### **English**

Our narrative texts are 'The Fantastic Flying Books of Mr Morris Lessmore' and 'A Monster Calls' by Patrick Ness. We will continue our own story.

In our non-fiction writing, we will use the 'National Parks in the USA' book by Chris Turnham to write a balanced argument.

#### **Art and Design**

##### Exploring Identity

Children will discover how artists use layers and juxtaposition to create artwork which explores identity. Make your own layered portrait. We will analyse the work of Njideka Akunyili Crosby and Mike Barrett

#### **Design Technology**

##### Pulleys, wheels and gears

*We will make a space buggy.*

#### **Computing**

##### ***Programming A***

Exploring variables when programming a micro:bit

##### ***Creating media***

Capturing and editing audio to produce a podcast, ensuring that copyright is considered.

#### **Physical Education**

Friday PE sessions will involve developing striking and fielding skills during cricket and rounders sessions.

During Wednesday PE sessions, with Sporting Influence, the children will develop net/wall games and skills and navigate the school grounds with outdoor and adventurous activities.

#### **PSHE**

##### Dreams and Goals

##### Healthy Me

#### **Maths**

##### **Units covered will include:**

- Multiplication and Division
- Length and Perimeter
- Fractions and Decimals

##### **Additionally, Year 5 & 6 will cover**

Statistics

##### **Year 6**

Algebra and Ratio

#### **History**

Shang Dynasty

#### **French**

The year 4 children will learn about animals and habitats, focusing on masculine and feminine nouns.

Year 5/6 will learn about words associated with family and school

Children will listen to spoken language, engage in conversation and speak in sentences.

## Science

### Year 5/6 Physics - Earth and Space

- describe the movement of the Earth, and other planets, relative to the Sun in the solar system
- describe the movement of the Moon relative to the Earth
- describe the Sun, Earth and Moon as approximately spherical bodies
- explain day and night and the apparent movement of the sun across the sky.
- including a visit from the Wonderdome.

### Year 4 – Physics - Electricity

We will find out about different STEM careers during British Science Week

## Class Notes

PE kits are to be brought in at the beginning of the week and will be sent home on Friday.

No jewellery for PE- earring **must** be removed.

- Please can all children bring in their reading records and reading books daily.
- Daily reading at home is encouraged and should be recorded in the reading records please.
- In Class 3, we become independent learners where we try our best and learn from our mistakes together. **‘Practise makes better’**

## Religious Education

Why is Jesus inspiring to some people?  
Incarnation unit ‘Was Jesus the Messiah?’

## Music

In Spring Term the children will listen to, compose and perform jazz music

## Geography

Enquiry question: Who lives in Antarctica?

As a church school, our vision is for each child to love learning and to have hope, confidence, wisdom and respect for all.

***‘Life in all its fullness’*** (John 10:10)

**Kindness**

**Inclusivity**

**Community**
