

Understanding the World

- Blowing bubbles
- Make bread or pizzas for the family to share
- Read information books on frogs and chicks
- Hunt for bugs in the garden
- Use Nature Detectives for lots of exciting activities to do at home:
<https://www.woodlandtrust.org.uk/nature-detectives/>
- Planting seeds such as cress – watching them grow
- Look at science experiments for Early Years - firstdiscoverers.co.uk website
- Observe the weather each day and make a weather chart
- Make a family tree – who is in your family
- Freeze small toys in ice – work out how to get them out of the ice
- Make a rainbow of skittles sweets around the edge of a small plate – add warm water and watch a rainbow appear.
- Look for different sorts of ICT in your home e.g., microwave, remote control, phone etc

- Feed the birds in the garden and keep a tally of which birds visit your garden.
- Make bird feeders.

Expressive Arts and Design

- Dancing to music – use scarves
- Sing familiar songs and make up your own words to nursery rhyme tunes
- Make shakers with pasta or rice in pots
- Make your own paint with shaving foam or coloured ice
- Make props for your favourite story and act it out together

The Helperbees Handwash Song

(sung to Row, Row, Row the Boat)

Wash, wash, wash your hands

Make them nice and clean

On the bottom, on the top

And fingers in between

Sing this twice whilst washing your hands

Helperbees Preschool 

Activities to try at home

We have made a list of activities to try at home for the seven areas of the Early Years Foundation Stage.

Many of these activities should be able to be done without needing to buy any resources. We have tried to make them open and flexible.

This is not a tick list for you to work down, choose your favourites and do them as many times as you like - repeating them is good!

Personal, Social and Emotional Development

- Share stories – retell them and act them out
- Make bread together
- Chop the vegetables for dinner together
- Give your child responsibility to help with household chores – spray the window cleaner and clean the windows is a favourite!
- Sharing a family meal and talk about your day.

Physical Development

- Threading pasta on to wool or string
- Water play in the bath – scooping pouring and measuring
- Design a treasure hunt around the house
- Junk modelling
- Make Playdough
- Musical movement games – like musical statues
- Lego and block play. Plan to build something and see if you can follow your plan

- Make a sensory tray with shaving foam, soap, jelly etc
- Painting with water in the garden
- Rough and tumble play
- Building dens and tunnels with blankets and under the kitchen table

Communication and Language

- Storytelling with homemade puppets – use old socks, lolly sticks and straws
- Singing nursery rhymes and action songs, such as Simon Says
- Make music with saucepans and pots
- Play guessing games – such as think of an animal and model giving clues to help your child guess the animal
- Play board games

Maths

- Pairing socks
- Playing Snakes and Ladders
- Bigger and Smaller games – describing the 3 Billy Goats Gruff or using Goldilocks

- Add numbers to pegs and then help your child to order them
- Measuring ingredients to cook / help make dinner
- Sing number songs such as 5 currant buns or 5 Little Speckled frogs.
- Sorting toys by colour or shape

- Sorting coins
- Build train tracks in different shapes
- Build towers from blocks – how many blocks did you use? Can you use the same blocks to build a different tower?
- Make a bowling game with empty plastic bottles.

Literacy

- Share story books and talk about what is happening on each page.
- Play lotto games – matching pictures
- Hide an object in a 'mystery bag' and give clues to what might be inside
- Tap out syllables to break up your name on musical instruments
