Helperby and Brafferton Advent Windows

Following the success of previous advent windows, we are giving it another go.

If you would like to take part, you will need:

- A window within the village that is clearly visible from the street, or from a public outdoor space
- To create a design for your window. It can be religious, or not, funny or topical, but not rude or offensive please. It will need to be lit to be seen in the dark.
- To reveal your decorated window at 4pm on your advent date
- To include your advent date somewhere on your window
- To keep your window illuminated each evening from 4pm until 10pm from the date your window is revealed, until after Boxing Day
- To be happy for your address to be identified on a map to help people find your window – no names or other contact details will be shared.

Please contact me by 15th November on Messenger, email me on laurapwwise@me.com, contact me on 07801 496579, or come and see me at Fountain House, Dunroyal if you would like to take part.
