*Small school, big heart*

26th January 2024

Dear Parents,

Our big question in Collective Worship is 'Can one person change the world?'. It has really made us all think! Great work from everyone really embedding our values of 'kindness, inclusivity and community'.

I am so proud of how the children showed their care and compassion for our Wonderlab presenter who had an unfortunate car accident on the way to us. I have heard from him and he is fine. The children were empowered to make cards for the presenter so we will send these onto him.

### **Parents First Aid Course**

We still have spaces on the Parent First Aid course on Monday 29th January 4.30 -7.30pm. This is very worthwhile for anyone who would like a refresher or have never done basic first aid. The cost is £25 pp.

### **No Friday worship on 2nd Feb**

We have a special visitor to speak to the KS2 children in school on Friday 2nd February. Kevin Hollinrake will be talking to the children about his role as an MP and what happens in parliament. We are looking forward to welcoming him to school.

### **100 Club winners**

1st place Julie Hall  
2nd place Matt Boyle  
3rd place Iain Wilson

We are looking for any volunteers to come and talk to the children about any jobs linked to science, technology, engineering and maths (STEM). If you know someone who can help, we'd be grateful.

Have a super weekend! At last a glimmer of sunshine!

Yours sincerely,

Mrs S. Anderson

## **Arriving on school in time– Top Tips!**

### **To help make mornings run smoothly and ensure punctuality:**

1. Be positive about going to school.
2. It is a good idea to prep and lay out uniform, shoes, lunches and water bottles the night before.
3. Have a list your children can see, of tasks they need to complete in a morning such as get dressed, shoes on, water bottle filled, teeth brushed etc so they know what they need to do to be ready to leave on time.
4. Set an alarm in your phone or on Alexa when there are 10 minutes left to leave the house so your children have a reminder that it is almost time to go.
5. Turn off TV and screens during breakfast and get ready time.
6. Whether you drive your children to school or walk with them make sure that you leave the house in good time to arrive for 8.50am
7. If your child walks to school alone, ensure they are out of the house in good time to get themselves to school.
