### Introduction

This Single Equality Scheme for schools in North Yorkshire provides a format for addressing the statutory duties of the Equality Act 2010 and The Children and Families Act 2014. This supersedes and brings together all previous statutory duties in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school's statutory duties in these areas.

The scheme also highlights how our school has worked with and listened to the staff, pupils, parents and carers to inform development of action plans and the need and commitment required to ensure the scheme is a success. This is underpinned by a commitment to

promoting positive relationships and understanding between all groups within our school community.

This document sets out how pupils with the following protected characteristics will be protected in our school from harassment and discrimination:-

- disability.
- gender.
- race.
- religion and belief.
- sexual orientation.
- gender reassignment.
- pregnancy and maternity.

The law on disability discrimination is different from the rest of the Equalities Act in a number of ways. In particular, it works in only one direction – that is to say, it protects disabled people but not people who are not disabled. This means that schools are allowed to treat disabled pupils more favourably than non-disabled pupils, and in some cases are required to do so, by making reasonable adjustments to put them on a more level footing with pupils without disabilities. The definition of what constitutes discrimination is more complex. Provision for disabled pupils is closely connected with the regime for children with special educational needs. Chapter 4 of the Act deals in detail with disability issues.

This scheme extends however to cover all aspects of vulnerability, including those associated with socio-economic factors (e.g. pupils from low income families).

As well as delivering high quality services to our pupils, the school is also committed to being a good employer and as such this scheme outlines how we meet our varied duties in terms of recruitment and employment practices. We are also committed to be fully inclusive of all community users, including parents and carers. As such, this scheme therefore also sets out how we will work to overcome any discrimination related to the other protected characteristics:-

- Age\*
- Being married or in a civil partnership

\*A person's age is also a protected characteristic in relation to employment and the Act extends this (except for children) to the provision of goods and services, but age as a protected characteristic does not apply to pupils in schools. Schools therefore remain free to admit and organise children in age groups and to treat pupils in ways appropriate to their age and stage of development without risk of legal challenge, even in the case of pupils over the age of 18.

The impact of this scheme is reported on annually.

### **Aims of the Single Equality Scheme**

- To articulate the school's commitment to equality which permeates all school policies and practices

- To ensure that everyone who belongs to, or comes into contact with, our school community is valued and respected
- To promote equality of opportunity and eliminate unlawful discrimination, harassment or victimisation
- To comply with statutory duties under equalities legislation in one document

## **Purpose of the Equality Scheme**

This equality scheme is the school's response to the specific and general duties in the current equality legislation, which has been brought together under the Equality Act 2010 (see appendix 1). It is an attempt to capture how the school is systematically establishing and implementing good practice in equality and diversity across all areas of school life. This includes a response to all aspects of social identity and diversity.

This Equality Scheme sets out how the school will:

- eliminate discrimination;
- eliminate harassment or victimisation related to any aspect of social identity or diversity;
- promote equality of opportunity;
- promote positive attitudes to all aspects of social identity and diversity;
- encourage participation by disabled people and people representing different aspects of social identity in public life;
- take steps to take account of difference even where that involves treating some people more favourably than others;
- take proportionate action to address the disadvantage faced by particular groups of pupils.

## **Planning to eliminate discrimination and promote equality of opportunity**

This scheme is underpinned by the core belief that all children and young people belong to their local community and share the same rights to membership of that community and a quality education. We set equality objectives with associated actions which are outlined within our equalities action plan that accompanies this Equality Scheme. Our plan identifies what we will be doing over the coming year to make our school more accessible to the whole community, irrespective of background or need. (see appendix 2 below)

It encompasses our duties to promote positive outcomes in relation to race, gender and disability, but also identifies actions to address other social identities. It encompasses our **anticipatory duties to plan ahead for the reasonable adjustments** (reasonable and proportionate steps to overcome barriers that may impede some pupils) we need to make to be best placed to help disabled pupils who come to our school.

This action plan replaces the school's Disability Accessibility Plan for the school (previously required under the planning duties in the Disability Discrimination Act) as it sets out how the school will increase access to education for disabled pupils, alongside other protected groups, in the three areas required:

- increasing the extent to which disabled pupils can participate in the school curriculum;

- improving the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- improving the availability of accessible information to disabled pupils.

The action plan is renewed annually and progress towards the equality objectives within it is reported on regularly to governors, and this information is published at least annually. Equality objectives have been identified through consultation with key stakeholders. Our equality objectives are published at least once every four years.

This action plan is understood and implemented by all staff and is available on the school website. It is available in different formats and in different languages on request to the school office.

Our school has regard to the need to provide adequate resources for implementing plans and must regularly review them. (NB An accessibility plan may be a freestanding document but may also be published as part of another document such as the school development plan.)

Our school records all prejudice based and hate incidents and reports them to the Local Authority, in line with the guidance, which can be found at: <http://cyps.northyorks.gov.uk/equalities-and-diversity>. Pupils and staff are encouraged to report incidents and the school responds effectively, aiming to eliminate all forms of discrimination and prejudiced based incidents.

## What kind of a school are we?

### School Vision and Values

St Peter's is a warm, caring and inclusive school where everyone feels valued and can grow in confidence and faith. In this supportive community, children are encouraged to develop enquiring minds, a lifelong love of learning and a respect for other people and cultures. We are led by our core Christian values of Community, Compassion, Truth, Trust, Friendship and Endurance in everything we do, learn and say.

*Be sympathetic, love one another, be compassionate and humble*

*1 Peter 3:8*

The school's vision and values statement reflects the school's ambitions for all its pupils and have been developed with the whole community. It refers to the key requirements set out in the National Curriculum Inclusion Statement

<https://www.gov.uk/government/publications/national-curriculum-in-england-framework-for-key-stages-1-to-4/the-national-curriculum-in-england-framework-for-key-stages-1-to-4> for developing an inclusive curriculum: setting suitable learning challenges; responding to pupils' diverse learning needs; overcoming potential barriers to learning and assessment, for individuals and groups of pupils.

The school is committed to addressing any actions which are identified to improve our inclusive practice.

### School Context

The nature of the school population and context to inform action planning for the equality

**Factors of the geographical location of the school:-**

- Smaller than average village school in a rural setting between Easingwold, Thirsk and Boroughbridge in the Central area of North Yorkshire
- The school is a voluntary aided church school within the Diocese of York and has a caring family and distinctive Christian ethos with strong community church links. SIAMS March 2018 'Good'
- The school has a good reputation as well as being an inclusive school within its local and regional community and has rising roles with in-year mobility
- The school has a strong ethos actively rooted in the Christian faith; we welcome families of all faiths.
- The school draws pupils from Helperby/Brafferton and 15% from other surrounding villages, Easingwold, Thirsk and Boroughbridge. Brafferton itself comprises of privately owned houses, rented properties and farms.
- 6.25% of pupils registered as FSM, this is lower than the LA average of 7.8% and National average of 19%
- 1.25% of pupils currently have an EHCP, 2015-16 this figure was 2.63%, higher than the LA average of 1.9% and almost in line with national average of 2.8%.
- 4.7% pupils are BME pupils, this figure is lower than the LA average of 6.9% and national average of 28.5%
- The deprivation indicator of 0.07 is well below the national deprivation indicator (0.24)
- We have 57 pupils currently on roll - XX girls and XX boys. Nearly all pupils are of white British heritage. Rising roll – school increasingly a popular choice due to on site Governor led preschool provision (Helperbees).
- The socio-economic background of pupils varies but, overall, is average
- Structure 2020-2021 Helperbees (age 2-4); Class 1 = EYFS and Year 1; Class 2 = Year 2, 3 and 4; Class 3 = Year 5 and 6
- Breakfast Club and After School Club provided by school staff. The formal curriculum is vastly supported by an extensive range of extra -curricular provision (art, drama, music, band sessions, science, football, running, rounders, Multi sports clubs etc). More than 80% of our pupils play a musical instrument through music teacher in school and peripatetic tuition.
- School holds Healthy School Award and Music Quality Mark
- School works highly effectively with the Sporting Influence sports cluster

## Outcomes for pupils

Outcomes for pupils are analysed against social identity issues, i.e. gender, ethnicity, disability, faith background, and aspects of vulnerability identified by the school. This is compared with the outcomes made for all pupils.

These processes form part of the school's equality impact assessment to determine the impact of our provision on improving outcomes for identified pupils. In line with statutory requirements all new policies as well as existing policies and functions are evaluated for the impact they have, in consultation with identified pupils and parents/carers.

#### Examples

- pupils' attainment - analysis of end of key stage results for pupils of particular groups
  - the quality of particular groups of pupils' learning and the progress they make throughout the school
  - the extent to which different groups of pupils feel safe (e.g. Incidents of racism, 'hate' and bullying involving particular groups of pupils)
  - the behaviour of particular groups of pupils (e.g. exclusion data for particular groups of pupils)
  - the extent to which pupils from particular groups adopt healthy lifestyles
  - the extent to which pupils from particular groups contribute to the school and the wider community (e.g. participation and achievement on extra-curricular/extended school activities, participation on school trips for particular groups of pupils)
  - attendance data for all pupils and for particular groups (e.g. extended leave/mobility issues for particular groups of pupils)
  - the effectiveness of the school's engagement with parents/carers of particular groups of pupils (e.g. attendance at parents' meetings, involvement in planning provision, consultation with, results of parental feedback)
- – impact of the use of specific individual budgets e.g. Pupil Premium report SEN information report

- ensure the peer support programme within the school promotes understanding and supports pupils who are experiencing discrimination.

Visitors and contractors are responsible for complying with the school's Equality Scheme – non-compliance will be dealt with by the Headteacher.

### **Involvement Processes**

Policies are vital to identify and consolidate thinking regarding appropriate provision for pupils, however, they are often viewed as an end, when they should be seen as a process - always evolving in response to changes and evidence from impact assessments. When developing this Equality Scheme and the equalities objectives, the school is clear that this is a process which must be informed by the involvement of all participants such as pupils, parents, school staff, governors and external agencies. This will ensure that the school gleans insights into the barriers faced by people from different social identity backgrounds and learns the best ways to overcome such barriers. This Scheme and equalities objectives will be informed, therefore, by:

- the views and aspirations of pupils themselves from different social identity backgrounds;
- the views and aspirations of parents of pupils from different social identity backgrounds;
- the views and aspirations of staff from different social identity backgrounds;
- the views and aspirations of members of the community and other agencies, including voluntary organisations, representing different social identity backgrounds;
- the priorities in the North Yorkshire Children and Young People's Plan.

### **Mechanisms for involvement**

At this school the following mechanisms will ensure the views of **pupils** inform the equality objectives and action plan:

E.g.

- Exit interviews with pupils;
- School council, CWC, School Librarians, Sports Leaders
- Pupil learning walks including FSM, SEN, More Able

- Pupil voice regularly sought by subject leaders and Governors
- Individual interviews with pupils involved in incidents of a discriminatory nature or bullying related to discrimination;
- Individual interviews with pupils experiencing reasonable adjustments;
- Growing Up in North Yorkshire Pupil Survey
- Annual Pupil Questionnaire

At this school the following mechanisms will ensure the views of **staff** inform the Equality Scheme, objectives and action plan:

E.g.

- Exit interviews with staff;
- Staff questionnaire annually
- Regular meetings with union representatives;
- Regular staff meetings with specific agenda items;
- Individual discussions with staff as a part of performance management.

At this school the following mechanisms will ensure the views of **parents and the community** inform the Equality Scheme, objectives and action plan:

E.g.

- Welcoming parents and the community into school so that they are critical drivers in policy development. “Your support for your child’s education is crucial to their progress.” Please tell us what we can do to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.”
- Feedback through the Governing Body meetings;
- Vision and Values Action Group meetings;
- Feedback through the PTA meetings;
- Feedback from adults using the school beyond the school day;
- Yearly open meetings with parents and local groups representing a particular theme.
- Parent Questionnaires
- Open book share evenings
- Information evenings
- Open door policy
- Parent Forums

The school’s action plan will focus on developing the involvement of pupils, staff and parents from different social identity backgrounds over the four years (maximum) of this Scheme and the equalities objectives. We will consider varying the times, methods and the venues for this involvement to ensure the best possible attendance and ensure views can be heard. This way the school will learn what works and the involvement of pupils, staff and parents will improve and deepen over time.

## **Making it happen**

## **Action Planning**

Although it is no longer a requirement for schools to have an equality action plan, those schools which do already have one (or more) of these in place, may find it helpful to continue with this approach and adapt it to take into account the extent of the duty. ( 5.27 DfE Equalities Guidance May 2014)

This scheme is supported by an action plan, the progress of which is monitored and evaluated by the Governing Body.

The action plan that identifies the equality objectives for the school arising from this scheme and the impact assessment (schools could use the Inclusion Quality Mark ) has:

- clear allocation of responsibility;
- clear allocation of resources, human and financial;
- clear timescales;
- expected outcomes and performance criteria;
- specified dates for review;

The effectiveness of this Scheme and progress with the equalities objectives will be evaluated and reflected in:

- school self-evaluation;
- pupil progress, outcomes and engagement,
- feedback e.g. Parentview, pupil voice

## **Reporting**

This Scheme and equalities objectives will be reported on annually. Progress against the action plan will be evaluated and the impact of the action and activities assessed. Copies will be displayed on the school website and it will be referenced in school newsletters and in the school's prospectus.

## **Publication**

Equalities objectives will be published and available to anyone requesting a copy. Copies will be referenced in school newsletters, displayed in the school prospectus and on the school's website.

Information is published demonstrating how the school is complying with the Public Sector Equality Duty and the school's equality objectives. The school updates its published information at least annually and publishes the equality objectives at least every four years.

It will be up to schools themselves to decide in what format they publish equality information. For most schools, the simplest approach may be to set up an equalities page on their website where all this information is present or links to it are available. The regulations are not prescriptive and it will be entirely up to schools to decide how they publish the information, so long as it is accessible to those members of the school community and the public who want to see it. (5.25 DfE Equalities Guidance May 2014)

## Schools' duties around accessibility for disabled pupils

4.28 Schools and LAs need to carry out accessibility planning for disabled pupils. These are the same duties as previously existed under the DDA and have been replicated in the Equality Act 2010.

4.29 Schools must implement accessibility plans which are aimed at:

- increasing the extent to which disabled pupils can participate in the curriculum;
- improving the physical environment of schools to enable disabled pupils to take better advantage of education, benefits, facilities and services provided; and
- improving the availability of accessible information to disabled pupils.

4.30 Schools will also need to have regard to the need to provide adequate resources for implementing plans and must regularly review them. An accessibility plan may be a freestanding document but may also be published as part of another document such as the school development plan.

4.31 OFSTED inspections may include a school's accessibility plan as part of their review

See <http://cyps.northyorks.gov.uk/equalities-and-diversity> for an example of an accessibility plan.

This document relates to the The Equality Act 2010 and schools: Departmental advice for school leaders, school staff, governing bodies and local authorities May 2014, updated June 2018 DfE

<https://www.gov.uk/government/publications/equality-act-2010-advice-for-schools>

This is for:

- school leaders
- school staff

- governing bodies

It applies to:

- local-authority-maintained schools
- academies and free schools
- local authorities
- non-maintained special schools
- independent schools

*5.16 Under specific duties set out in previous equality legislation, schools were required to produce equality schemes in relation to race, disability and gender. Under the specific duties there are no requirements to create equality schemes. But schools may choose to continue producing such a scheme, if it helps them to comply with the Equality Duty, and they can expand it to cover the additional protected characteristics*

## Appendix 1: Equality Legislation and Guidance

This equality scheme responds to the current equalities legislation.

- The Equality Act 2010 is the overarching legislation for all equality duties.

The act serves two main purposes:

- To harmonise discrimination law;
- To strengthen the law to support progress on equality.

The act supersedes or strengthens the following acts and regulations:

- The Equal Pay Act 1970
- The Sex Discrimination Act 1975
- The Race Relations Act 1976
- The Disability Discrimination Act 1995
- The Employment Equality (Religion & Belief and Sexual Orientation) Regulations 2003
- The Employment Equality (Age) Regulations 2006
- The Equality Act 2006 Part 2
- The Equality Act (Sexual Orientation) Regulations 2007
- The SEN Code of Practice 2001

### **Overview of previous equalities legislation which has been harmonised and strengthened by Equality Act 2010:**

- Race Relations Act (RRA) 1976/2000  
statutory positive duty to promote racial equality, promote good race relations and eliminate unlawful racial discrimination;
- Sex Discrimination Act (SDA) 1975 (and Regulations 1999), Gender Equality Duty 2007  
statutory positive duty to promote gender equality and eliminate unlawful gender discrimination;
- Employment Equality (religion or belief) (sexual orientation) Regulations 2003 extended to education, Equality Act (Part 2) 2007  
The Act sets out that it is unlawful for schools to discriminate against a person:  
a) in the terms on which it offers to admit him/her as a pupil;  
b) by refusing to accept an application to admit him/her as a pupil, or  
c) where he/she is a pupil of the establishment:  
  
i) in the way in which it affords him/her access to any benefit, facility or service,  
ii) by refusing him/her access to a benefit, facility or service,  
iii) by excluding him/her from the establishment,  
iv) by subjecting him/her to any other detriment.
- Disability Discrimination Act (DDA) 1995/2005  
statutory positive duty to promote equality of opportunity for disabled people: pupils, staff, parents, carers and other people who use the school or may wish to, and eliminate unlawful discrimination;
- Education and Inspections Act 2006, duty to promote community cohesion.  
By 'community cohesion' the school is endorsing and adopting the definition provided by Alan Johnson, 2006, as:  
"working towards a society in which there is a common vision and sense of belonging by all communities; a society in which the diversity of people's backgrounds and circumstances is appreciated and valued; a society in which similar life opportunities are available to all; and a society in which strong and positive relationships exist and continue to be developed in the workplace, in schools and in the wider community."
