

SPORTING INFLUENCE

Improving Social Skills Through Sport

PE With Mr Sherwood

This half term Mr. Sherwood has been working with children across a range of sports and activities.

Class 2 and 3 have been focusing on Football and Netball. We tried to emulate the determination of the Lionesses in the 2022 Euro's, concentrating on passing and control, ball manipulation skills and outwitting an opponent.

In Netball we have covered passing and receiving, pivoting and movement, shooting and understanding the rules of the game.

The children have worked really hard in all of their lessons and have made lots of progress. It's been very pleasing to see them starting to use the skills with success in small-sided games.

In our After School Club we have played a variety of sports including Dodgeball, Benchball and Invasion Games. Children have developed their understanding of how skills such as throwing and catching can be transferred between the sports. We have also looked at developing teamwork and working together in small groups.

Have a great Christmas and see you all in the New Year!

Children developing their shooting technique in Netball
