Helperbees Preschool

*Small school, big heart*

8<sup>th</sup> March 2024

Dear Parent/Carer,

## Helperbees

### Collection/drop off

We are reviewing our collection and drop off procedures in Helperbees to help streamline the process, ensure Helperbees follows the same processes as main school, whilst also being mindful of your child in their Early Years journey.

To safeguard the children, parents are asked to not enter Helperbees room and pick up/drop off their child at the Helperbees door. Only parents of new starters, transitioning into the setting will be allowed to help settle their child. If you would like to speak to a member of staff privately, we will arrange a suitable time.

### Toys

Please can children leave toys/teddies at home. We have had an incident of a 'button' battery being brought in with a toy and this is dangerous for young children. This is also in addition to our increased infection control procedures which we have been recommended to adopt given the infection rates across the UK. Any children who have a sleep in the day can hand their 'comforter' to staff who will keep it in a basket until it is required.

Thank you for your continued support and we are more than happy to speak to you about any questions and queries.

Yours sincerely,

Mrs Anderson
